

Dear Parents and Guardians of the Holy Cross Greek School,

Welcome to our final newsletter for the academic year of 2024/2025. We hope that this year has been as exciting and eventful for you as it has been for the school.

SUMMER BBQ – 28 JUNE 2025

We would like to start with announcing the success of the Summer BBQ and wanted to take a moment to express our sincerest gratitude and thanks to everyone who contributed, volunteered and donated to this fundraising event.

This was the school's first attempt of a summer BBQ and with everyone's help and support managed to raise over **£2000 in profit**, which is an incredible result. It truly was a wonderful day, for the children and families of our school but also families from outside our school network who attended.

FUNDRAISING UPDATE

The school gave itself a fundraising target of **£5,000 profit**.

We are pleased to confirm that this target was exceeded by **£1800**.

This is broken down as follows, Christmas Bazaar: £1727, Carnival Dinner & Dance £3000, Summer BBQ £2082.

Thank you to everyone that supported the school to make this happen. This goes a long way to support the school in the next academic year.

TEACHERS UPDATE

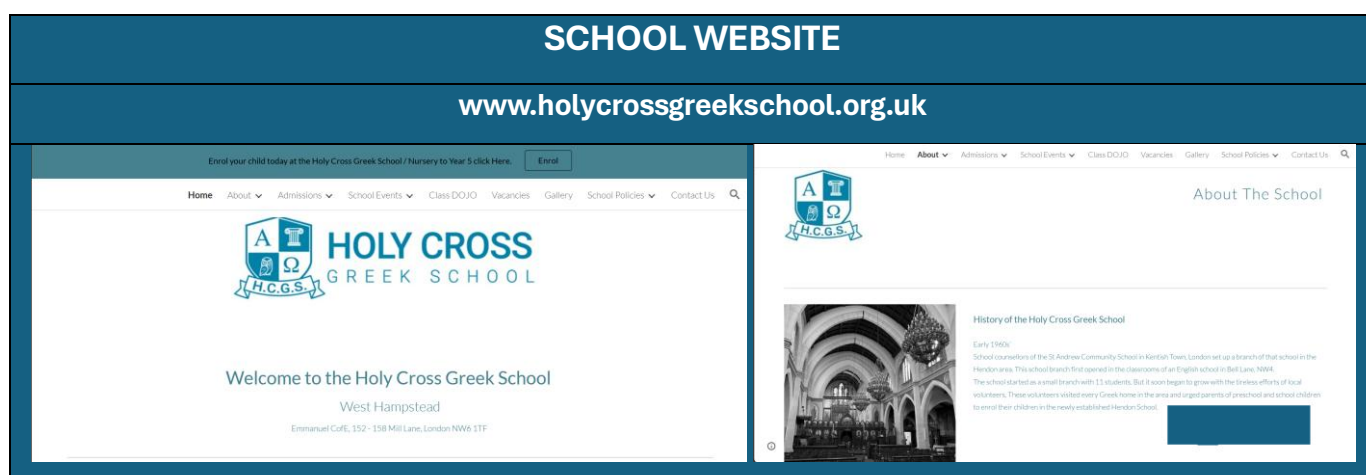

We would like to take this opportunity to thank all our amazing teachers who have been excellent this year.

We will be saying farewell to Ms Ioanna Langa and Ms Katerina Petridou, who will both be leaving us and would like to take this opportunity to sincerely thank them both for being such wonderful teachers.

Their support, encouragement, and dedication have made a difference to the school which will always be grateful for everything they have taught our children.

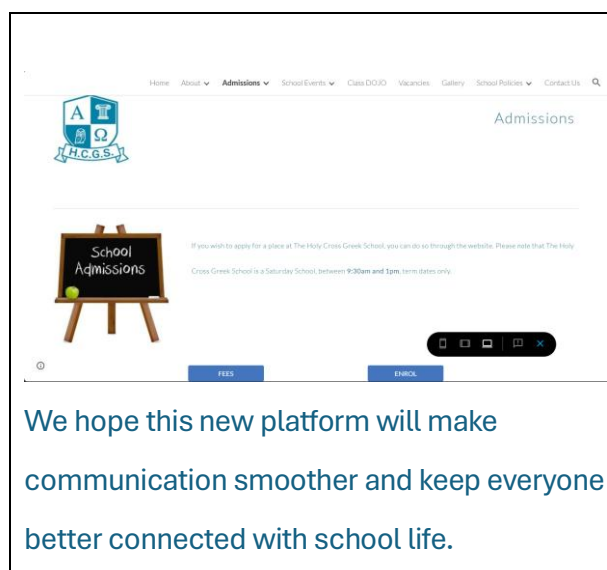

The school is in the process of finalising new teachers for all the classes from Nursery to Year 4 for the Academic Year 2025/2026.

We will be writing to you as soon as we have confirmed the positions of our additional teaching staff.

The school is excited to announce the launch of its brand-new website to be released in August 2025

We hope this new platform will make communication smoother and keep everyone better connected with school life.

Our site has been designed with students, parents, and staff in mind and features:

A fresh, user-friendly layout

Easy access to important announcements and events

Updated information on academics, staff, and school policies,

A dedicated portal for parents and students
